Please note that no cavy is to be sold for less than \$25. Please bring boxes for your cavies to go to their new home in!

Benching fee of \$3 for every cavy sold, there will be no fee for unsold cavies.

Please attach detail tags to your cages BEFORE placing cages on the For Sale table. This will help prevent so much congestion at the table.

Only the person in charge of the For Sale section, or their authorised assistant, can sell cavies. Your money will be available from 3:45 onwards.

No straw, hay, sawdust or shavings are allowed at shows.

Apart from a quick last minute 'brush up' NO GROOMING allowed at shows. If it is not groomed before the show you will have to put it on the table ungroomed!

Very happy winners at the Royal Show.

Editor's Rant

Very thankful to Odette for sending in a short article. So good to get anything new for the newsletter. I am still hassling Ken Hart for an article about genetics, I have read it in part and it is very interesting.

Very busy time of the year, with shows coming thick and fast. Still it was a pity that the Kelmscott Show was cancelled due to the heat. It was good of those people who made the effort of putting on a display in the place of the show. Good on ya!!

Request For Rosettes

Any Member that has won Rosettes at any of Cavy West's shows, and do not wish to keep them, They can be recycled! Cavy West would appreciate any rosettes donated.

Cavies at TAFE

By Dr Odette Williams

I'm having a good time teaching animal related studies at Geraldton TAFE. This year, I started as a lecturer initially in the Certificate 4 Vet Nursing Course - did some of those units, then have done more units for a Certificate 2 Animal Studies Group. All groups get GP exposure with the optimum colour schemes for indoctrination! (Marked varieties, smooth coat, patched, Dutch etc) and judges will be pleased to note that C-L animals are getting some travel and handling experience, courtesy of the students and may be slightly less wild!

Today I had a genuinely happy and uninhibited group of Certificate 1 students (mostly with disabilities or a bit intellectually handicapped) and they were a joy. They had a ball learning about all the GP breeds and colours, looking at show colour photos, care and then a practical session where they handled and cuddled them. They cleaned out the transport cages for me beautifully and got great joy out of watching their behaviour, nibbling foods whilst out on the bench, and the sow feeding her two day old babies, and laughing at the boar trying his foreplay routine on some "old bags".

So I hope the students coming through Geraldton TAFE will be really well versed in all the things we really want them to know about GP's and family planning and Vitamin C and heat stress, etc. Have also thoroughly enjoyed putting together lavishly illustrated (scanned in photos of mine and from books) GP care handouts for them all. Must take some photos next year - it was a happy and much enjoyed day for the students.

When we have the other students out to our farm for a day's Animal Handling Practical (sheep, horses, birds etc) they even get assessed on GP Cage Cleaning out (and I get all my cages done that day by helpers willing to excel and impress!) Fantastic. A win-win situation!
